AWARDS & ACHIEVEMENTS

1. ZICTA ICT INNOVATION HACKATHON (2021) - Winner

Made a learning Management system with integrated video conferencing tools to be used by schools and colleges in zambia. This is the annual innovation conducted by

ZICTA with its supporting partners including IHS, LiquidTelecom, Stanbic Bank Zambia etc.

2. STANBIC BANK ZAMBIA (2021) - Winners

I was part of the team that made a Banking Model using R programming Language which can help banks in predicting whether they can extend a bank loan model to a client or not based on various variable factors such as whether that person has gotten a loan before and how long he took to pay back that loan.
